Check	list to review with Customer after set-up:
1	_ I have been shown how inflatable is secured.

	a. Do not move the inflatable once set-up is complete
	b. Do not hammer on stakes (unless you find one that is loose). A long stake hammered all the way into the ground (by a customer) might not come back or
leavir	ng the customer due for the cost of the stakes and shipping.
3	_ I have been shown how to turn on/off blower.
	4 In the event of high winds or storms, I have been instructed to get all participants off the unit and unplug the motor and extension cord from the
power	outlet.
	The maximum winds that this unit will allow "up to" and "not over" are written instructions listed on the unit itself.

	simple. If we have to clean Silly String off of the inflatable there will be a \$45.00 charge. Silly String cleaning is a medium repair expense to an inflatable.
8	_ I understand that adult (18 years old & up) operators must be provided to watch the games at all times.
9	_ I have been advised that only children of the same size or age group may use the unit(s) at any given time.
